

## TIBISAY BARRIOS

Interior Designer/CAD Technician

### BACKGROUND

Tibisay Barrios is the interior design project manager for Schimberg Group. Having worked in architectural firms throughout her career, Tibisay provides a complete understanding of the relationship between architecture and interior design. Tibisay's ability to translate a high quality of interior design onto paper through renderings and virtual reality exceeds all client expectations. Tibisay is multilingual in Spanish, Portuguese, Italian and English.

### EDUCATION

Ringling College of Art and Design  
Manatee Community College

Bachelor of Fine Arts  
Associate in Arts, Associate in Science  
(Civil Engineering Technologies)
